Here's What Our Clients are Saying ...

A COLLECTION OF MATCHMAKING STORIES!

Serene and Barry are Top Notch Realtors!

Barry and Serene are very knowledgeable, they are sensitive to what the buyer is looking for and really deliver. They were able to work with us both long distance and once we had arrived to find the home that suited us, find local professionals to take care of repairs and get things done smoothly. If you can work with Barry and Serene you will be quite delighted. Our move from the Midwest to Southern California was greatly facilitated by their efforts.

Serene and Barry Sulpor. An Amazing Manhattan Beach Team!

Barry and Serene are an amazing team! They bring a wealth of experience to the table, not just real estate experience and thorough knowledge of the area but also Barry's marketing background and Serene's masterful negotiation skills (seriously: she has a Master's degree in Negotiations!). All their experience along with their clear, reliable communications translate into a feeling of calm, trust, and confidence through what can be an incredibly stressful time. Highly recommended! Wonderful people and fantastic real estate agents.

Loving Our Redondo Beach Home.

Barry and Serene worked with us, and the sellers, to make it a win-win situation for everyone and get our offer accepted. As first-time home buyers, they were great in guiding us through the process, from making an offer to the close of escrow. We would recommend them to anyone looking to buy or sell, especially in today's multiple bid environment. They are an awesome real estate team! They were so patient with all my questions and concerns and literally were on call 7 days a week. I couldn't recommend a better team than Barry and Serene.

— Chris, Redondo Beach

A True Match for Us in El Segundo.

We were looking to move for over a year before we met Barry and Serene. They were awesome in turning things around and quickly finding us our El Segundo home. Just as important, they kept the transaction moving forward throughout escrow. We are thrilled in our new home and recommend them to anyone selling or buying a home.

No Wonder Serene and Barry are Called “The Matchmakers” Buyer + Seller = SOLD.

Serene and Barry made a perfect match for us. We relied on them to find us a perfect home two years ago, and when we wanted to move up, we relied on them once again. Serene sold our Redondo Beach townhome and found us another perfect home. Serene and Barry provide great service. Why use anyone else?

Loved Working with this Team.

Words cannot describe how fortunate we were to work with Barry and Serene. We were first time buyers and they took care of each and every step very carefully and in a very professional way. We were able to buy our dream house so quickly and smoothly. They are very considerate, give a lot of attention to detail and follow through things.

We did learn that its much better to work with a team (rather than an individual realtor) as Barry and Serene were able to find us houses to take a look even before they went on to the market. They are the finest realtors in town. Thank you Barry and Serene for all your help. We would highly recommend them to everyone.

Helping Me Sell and Buy.

Having lived in the same beach home for many years, the real estate process was a brand new experience. Serene and Barry made selling my home a smooth transition, and also came through with flying colors in finding me another home I absolutely love. They're a superior real estate team, with excellent marketing and negotiation skills, plus the personalized attention that was incredibly helpful in my relocation. I would recommend them to anyone looking to sell or buy a home.

Thank you so much!
